Come Let us Grow Together is a weekly series that deals with the many topical categories that exist within the Word of God. The purpose of this series is to grow in wisdom, knowledge and understanding in things pertaining to God.

Life can be difficult at times. Many times we can become very overwhelmed with all of life's problems and situations. This can easily turn to desiring to just relax and take it easy for awhile. There's nothing wrong with that is there? Of course not. However, to a great majority of people taking it easy and relaxing turns into let's have a party or let's just hang out with a few of us and maybe try a little bit of drugs. Maybe your first time using Crystal Meth or maybe so many times you can't even begin to count the times let alone the days spent in search of this relief that now you can't shake because your body has become a slave to what may have just started at a time when you thought why not.

If you haven't ever tried Crystal Meth yet, then you need to run for your life because you are in for a life of pain, destruction, and possibly your death. You will put not only your own life at risk but also those around you. You may find yourself in a dangerous situation and have no idea of how to respond! You might be hallucinating seeing anything or think you are anywhere. "For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away." (James 4:14)

What may have started or yet to begin for you is a life of misery endlessly seeking for help while ever battling the torment of your mind; while demonic oppression and possession will be your companions and not as your friend, but in hopes you kill yourself so there can be another soul that has to suffer "into everlasting fire, prepared for the devil and his angels". (Matt 25:41) They have no choice but you do!! "Thou believest that there is one God; thou doest well: the devils also believe, and tremble." (James 2:19) "And, behold, they cried out, saying, What have we to do with thee, Jesus, thou Son of God? art thou come hither to torment us before the time? And there was a good way off from them an herd of many swine feeding. So the devils besought him, saying, If thou cast us out, suffer us to go away into the herd of swine. And he said unto them, Go. And when they were come out, they went into the herd of swine: and, behold, the whole herd of swine ran violently down a steep place into the sea, and perished in the waters. And they that kept them fled, and went their ways into the city, and told every thing, and what was befallen to the possessed of the devils." (Matt 8:29-33)
